**EPSON**  
EXCEED YOUR VISION

Inks

## Epson DURABrite® Ultra Ink

**Laser sharp text and vibrant graphics for home and office use**

Exclusive to Epson, DURABrite Ultra ink is a 4 colour pigment based ink technology that delivers ultra sharp detail on plain and specialty papers. These fast drying inks deliver durable prints that are water, fade and smudge resistant and highlighter friendly.

## Epson Claria® Ink

Epson Claria® Premium Ink

**Versatile ink designed for great photos and sharp text**

This 5 cartridge ink system consists of 4 colour dye inks and 1 pigment black ink and is ideal for printing a mixture of documents and photos.

Epson Claria® Photo HD Ink

**Designed for high definition photo prints**

A 6 colour dye-based ink system that delivers an extensive colour gamut, high contrast images and smooth natural skin tones for superior photos.

Claria inks deliver photo quality results lasting up to 300 years.

## Epson UltraChrome® Ink

**Outstanding durability and quality for the advanced photographer**

Epson UltraChrome is a resin coated pigment ink renowned for its 8 ink cartridge system that delivers superior colour gamut, lightfastness and water-resistance.

The UltraChrome group of inks consists of two different types: Hi-Gloss2 ink and K3 ink with Vivid Magenta, providing photographers with unlimited flexibility to produce long lasting prints on a wide range of media.
