Operational Temp	15-35°C (15 to 25°C for HDK)
Operational Humidity	20 to 80% (no condensation, 40 to 60% recommended)
Power Supply	AC 100 V - 240 V, 50 Hz - 60 Hz, 1.0-0.5 A
Power Consumption	65 W operating / 20 W standby / 3 W sleep
Operating Noise	55.1 dB
PHYSICAL	
Dimensions	1608 x 914 x 1128 mm (WxDxH)

Weight	94 kg (with stand and CISS, no ink)
Shipping Carton Details	2.0 x 0.8 x 1.0 m, 159 kg
WHAT'S IN THE BOX²	
Printer, stand, power cable, CISS System, 1 x roll media adaptor set, 1 x 2 L waste tank, 1 x maintenance kit, 1 x roll of 44" Epson Transfer Media, utility & user manual (CD), Epson Edge Print s/w (CD). Some configurations also include Ergosoft RIP s/w (Essential or Production Edition)	
CONFIGURATION OPTIONS³	
SCF62001Y	Printer with 1 Yr Warranty
SCF62003Y	Printer with 1 Yr Wty + 2 Yr CoverPlus
SCF62005Y	Printer with 1 Yr Wty + 2 x 2 Yr CoverPlus
SCF6200ESS5Y	Printer with 1 Yr Wty, 2 x 2 Yr CoverPlus & Ergosoft Essential V15 RIP (Epson Edition)
SCF6200PRO5Y	Printer with 1 Yr Wty, 2 x 2 Yr CoverPlus & Ergosoft Production V15 RIP (Epson Edition)
C12C890941	Bk starter ink pack (4 x 1 L)
C12C932111	HDK starter ink pack (4 x 1 L)
OPTIONAL ACCESSORIES	
C12C811391	Additional roll media adapter set
CONSUMABLES	
C13T619300	Maintenance kit
C13T619300	Replacement waste tank
10-CUBEN	10 L waste ink recycling bottle
C13S902006	Replacement auto cutter blade
C13T741100	6 x 1 L Black UltraChrome DS ink refills
C13T741X00	6 x 1 L HD Black UltraChrome DS ink refills
C13T741200	6 x 1 L Cyan UltraChrome DS ink refills
C13T741300	6 x 1 L Magenta UltraChrome DS ink refills
C13T741400	6 x 1 L Yellow UltraChrome DS ink refills

The four colour Epson dye sublimation inks used in the SureColor SCF6200 printer, when applied to polyester fabrics, pass the requirements of the Oeko-Tex Stadard 100 for human ecological requirements of Class 1 products for adults, children, and babies up to 36 months. The standard specifies testing criteria for the presence of harmful substances within a textile product and belongs to the International Association for Research and Testing in the filed of Textile Ecology (Oeko-Tex).

- Performance figures are printer speeds only; actual production times will vary depending on computing platform, print application, file format, size and networking configuration.
- Printers do not ship with ink; one starter pack (either Bk or HDK) will need to be ordered separately. The independent sourcing and use of a heat press will be required and an external heater/blower unit is recommended for high speed operation.
- Warranty is provided for all non-consumable items associated with printers sourced through Epson Australia. Cover includes print heads & CISS systems. It can be extended through the purchase of optional CoverPlus, either separately or as part of a configuration package. Free on-site repair is provided in major metro locations (non-metro locations will attract a traveling charge). Service is conditional on a range of factors including appropriate product usage, operation within print life limits, regular & appropriate user maintenance, as well as use of Genuine Epson consumables. Please see the Epson Australia & New Zealand web sites for terms and conditions.

Easy to operate with front panel controls & remote e-mail status notification

Easy to manage with integrated CISS & bulk waste system

Configurable with a choice of 2 ink sets

Epson CoverPlus

Fast. Reliable. Professional
