

Discover Vibrant Colours and Superior DMax

INTRODUCING THE NEW EPSON SURECOLOR P6070/P8070

- Superior D-max with outstanding image stability
- Ultimate gamut with 94% PANTONE® coverage
- Comprehensive warranty & service packages up to 5 years
- Advanced calibration, print layout and job costing functionality
- 24" & 44" models with optional SpectroProofer, Auto-Take-Up & HDD

^{*1} Figures represent print times only for the Epson test sample image as shown, produced on Plain (draft – fine modes) and Premium Photo paper (super fine & super photo modes). Print speeds are engine only with total throughput time dependant on workflow configuration, paper type, software, file format / size, print resolution, ink coverage, networking, and other factors

^{*2} Service Packs enable basic warranty cover to be extended. One or more Service Packs can be ordered in conjunction with the various printer configurations &/or options to enable cover for 1, 2, 3, 4 and 5 year periods (total cover cannot exceed 5 years). Service and support is only provided for product supplied through Epson Australia. This facility is provided in conjunction with the Authorised Large Format Reseller through which the product is ordered. Limitations apply to the provision of warranty upgrades and on-site service. Regional locations and certain installation situations may attract additional charges. Service may be restricted or limited when equipment is used outside of specification &/or with non-Epson consumables. For full details on coverage, terms and limitations please review the warranty terms listed on this web-site and contact Epson Australia or one of our Authorised Large Format Resellers if you have questions or concerns.
