

## Epson TM-T70II

**Compact and reliable receipt printer with full front controls**

Front-facing controls offer total convenience

Space-saving design which is ideal for under-counter operations

High speed (250mm/sec), high resolution printing for crisp text, graphics and barcodes

Flexible interface options offer complete versatility

The TM-T70II is a reliable thermal receipt printer that can be fully operated from the front, thanks to its front paper loading. With a small footprint, and accessible button controls, it conveniently sits under your counter, while its fast 250mm per second print speed and margin-less printing allow you to serve your customers quickly - without having to replace paper rolls quite so often.

### Big performance, small footprint

Streamline your POS system with Epson's space-saving TM-T70II printer. With its small size and low height (only 114mm high), it's designed to fit under your counter or in other small spaces. And it has all the features you need to keep your lines moving.

### Easy to use. Easy to maintain.

You can operate and maintain the TM-T70II entirely from the front of the printer. It features front-dispensing receipts, front drop-in paper loading and front facing controls.

### High speed, high resolution

The TM-T70II prints receipts and graphics at a fast print speed up to 250mm/second. With its 180 dpi print head the TM-T70II delivers sophisticated, intelligent receipts for maximum customer impact. You are assured of crisp, clear receipts with eye-catching logos, graphics, and barcodes - including 2D.

### Lower energy costs

The TM-T70II features low power consumption to reduce your operating costs and is ENERGY STAR® qualified\* and RoHS compliant.

### Integration made easy

The TM-T70II is compatible with today's best-of-breed and component-based systems. It comes with dual Interfaces, a USB and one additional interface. Other interfaces available include parallel, powered USB, Ethernet and wireless.

### Backed by the leader.

The TM-T70II is backed by Epson's industry leading service and support programs and comes with a three year return to base warranty.

## Epson TM-T70II Specifications
