EPSON DOCUMENT SCANNER RANGE

WORKFORCE DS-790WN

Fast | Secure | Wireless | Duplex | PC-free

- 45 ppm / 90 ipm⁵; single pass duplex scanning for fast and productive scanning
- Built-in network, connectivity and Wi-Fi - scan directly to network, cloud, email or USB flash drive
- Scan and save as text-searchable PDFs
- Advanced colour and image adjustments
- Versatile paper handling with a 100-page auto document feeder •
- Peak daily duty cycle of up to 7,000 sheets
- Intuitive colour LCD touchscreen and convenient USB port no PC required •

WORKFORCE ES-60W

Wireless, lightweight, travel-friendly

- Scan directly to your device or cloud services
- Scan and save as text-searchable PDFs .
- Advanced colour adjustments
- Versatile scans supporting business cards and other documents
- At 300 g, get the portability to scan data with battery or USB power source
- Effective digitising of paperwork for immediate sharing
- Epson ScanSmart, Epson Document Capture Pro included

WORKFORCE DS-53011

Fast, wireless, duplex

- 35 ppm / 70 ipm5 scan speed for fast and productive scanning
- Scan directly to your device or cloud services
- Scan and save as text-searchable PDFs . Advanced colour and image adjustments
- Versatile paper handling with 50-sheet auto
- document feeder Peak daily duty cycle of up to 5,500 sheets
- Optional flatbed dock

WORKFORCE ES-C320W

- Ultra-compact, wireless, two-in-one
- 30 ppm / 60 ipm⁵ scan speed for fast and productive scanning
- U-turn and straight paths give you two scanners in one
- Document Capture Pro advanced scanner functions
- Small footprint, even when in use
- Extremely versatile, handling from envelopes and ID cards to long paper and A3 (stitched) Scan passports and booklets up to 5 mm thick
- with a carrier sheet

WORKFORCE DS-570WII

Fast, wireless, duplex, ADF/flatbed

- 35 ppm / 70 ipm⁵ scan speed for fast and productive scanning
- Scan directly to your device or cloud services
- Scan and save as text-searchable PDFs
- Advanced colour and image adjustments Versatile scans supporting media up to 413 gsm
- Peak daily duty cycle of up to 5,500 sheets
- Auto document feeder and flatbed scanner

WORKFORCE ES-C380W

- Ultra-compact, wireless, two-in-one
- 30 ppm / 60 ipm⁵ scan speed for fast and productive scanning
- U-turn and straight paths give you two scanners in one
- Document Capture Pro advanced scanner functions
- Small footprint, even when in use Extremely versatile, handling from envelopes
- and ID cards to long paper and A3 (stitched) Scan passports and booklets up to 5 mm thick with a carrier sheet

WORKFORCE DS-870

Ultra-fast, wireless, duplex

- 65 ppm / 130 ipm⁵; single pass duplex scanning for fast and productive scanning
- Scan directly to your device or cloud services
- Scan and save as text-searchable PDFs
- Advanced colour and image adjustments
- Versatile paper handling with a 100-page auto document feeder up to 413 gsm Peak daily duty cycle of up to 10,000 sheets
- Intuitive colour LCD touchscreen for easy navigation
- Optional flatbed dock

WORKFORCE DS-970

Ultra-fast, wireless, duplex

- 85 ppm / 170 ipm⁵ scan speed for fast and productive scanning
- Scan directly to your device or cloud services
- Scan and save as text-searchable PDFs
- Advanced colour and image adjustments
- Versatile paper handling with a 100-page auto document feeder up to 413 gsm
- Peak daily duty cycle of up to 14,000 sheets Intuitive colour LCD touchscreen for easy navigation
- Optional flatbed dock

RAPID RECEIPT RR-600W Duplex scanner designed for financial documents

- 35 ppm / 70 ipm⁶; single pass duplex scanning for fast and productive scanning
- Scan and export data to MYOB, Xero, QuickBooks, Excel, CSV and more .
- Scan and save as text-searchable PDFs
- Advanced colour and image adjustments

•

- Versatile paper handling with a 100-page auto document feeder •
- Peak daily duty cycle of up to 4,000 sheets •
- Receipt management software included no subscriptions required •
- Intuitive colour LCD touchscreen and convenient USB port no PC required

SURECOLOR T3160 / T3160M / T5160 / T5160M

- Available in 24" or 36" sizes
- Prints an A1 image in as little as 31 seconds
- 4 UltraChrome XD2 pigment inks up to 80 ml
- Switches between roll and sheets automatically
- 4.3" colour touchscreen
- Up to 3 years CoverPlus

Epson CoverPlus

Fast. Reliable. Professional

Epson's technical printers are designed to produce posters, POS, plans, drawings, maps, CAD, GIS and presentation material.

They are simple to use and consume little power. They output ultra-fine lines and solid fills, with high brightness and colour density, using inexpensive ink that dries almost instantly to become moisture and abrasion resistant.

- ¹ Both included and replacement ink bottle yields based on the ISO/IEC 24712 pattern with Epson's methodology. Included/ replacement bottle photo yields are significantly lower and are based on the ISO/IEC 29103 pattern with Epson's methodology. Actual ink yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. All ink colours are used for printing and printer maintenance, and all colours must be available for printing.
- ² Black and colour print/copy speeds are measured in accordance with ISO/IEC 24734 and 29183. Actual print times will vary based on system configuration, software, and page complexity.
- ³ 12 months of standard return to base warranty. For an additional 12 months (total of 24 months), register online at www.epson.com.au/registrations within 12 months of purchase. <u>
 ⁴ OfficeWorks exclusive model.</u>
- ⁶ Based on letter-sized scans at 300 dpi in black-and-white, greyscale or colour mode. Scanning speed test results vary according to system configuration, dpi setting, and scan mode setting. ⁶ Based on A4-sized scans at 300 dpi in black-and-white, grayscale or colour mode, using the USB interface. Scanning speed test results vary according to system configuration, dpi setting,
- and scan mode setting.
- ⁷ As compared to other personal/consumer photo scanners, generally defined as photo scanners priced under \$1,000 USD (RRP).
- ⁶ Based on average speed from start of scan to end of feeding, scanning thirty-six 4" x 6" photos at 300 dpi in landscape orientation. Scanning speed test results vary according to system configuration, dpi setting, and scan mode setting.
